

BGF seal of approval awarded again

The Austrian Health Insurance Fund (ÖGK) and the Austrian network BGF have awarded FWT Composites & Rolls company the seal of approval for the integration of BGF in regular operations for the period 2020 to 2022.

This recognizes the company's efforts and initiatives in the field of health promotion. Besides always offered health checks, which are very well accepted also by the employees, the focus is on continuous development and improvements in the workplace. The foundation-stone is thus laid for a healthier and happier professional life at FWT. The management supports the efforts and is fully on

the side of the health of all employees.

The ÖGK will continue to look after the company in the future and looks forward to further cooperation in the sense of company health promotion.
