

COMPOSITES & ROLLS

HAK Business DAY NÖ

25.09.2020

Beginning of the school year 2020/21, FWT Composites & Rolls GmbH starts as a partner for a first grade at the Neunkirchen commercial school for the first time. The cooperation is planned for the next three years.

At the beginning of the lesson, the 1BS students presented their practice company, the “Sportstore Sportartikelhandel GmbH”.

Afterwards, the managing director of FWT Composites & Rolls GmbH, Mr. Günther Kautz, presented the history and the product portfolio of the company. The end of the visit was a short quiz about FWT, which was rewarded with a sweet surprise for the students.
